SCHOOL OF BUSINESS

UNIVERSITY OF WISCONSIN-MADISON

**TOGETHER
FORWARD®**

January 13, 2017

Mr. David S. Kim

Dear David,

Thank you very much for your generous gift to the Case Competition Participation Fund. Your support helps us expand the boundaries of what's possible—for our students and for the world. Stronger together, our passionate community of students, faculty, staff, alumni and friends is developing ideas and leaders that make an impact far beyond Madison.

Because of your gift, real estate students at the Wisconsin School of Business Fund will be able to attend local and national case competitions. Your support makes it possible for students to have the kind of life-changing experiences that foster creativity, excellence and leadership: experiences like global trips, entrepreneurship programs, applied learning projects and case competitions.

With support such as this, the Wisconsin School of Business will continue to attract, guide and challenge Business Badgers who will be leaders for years to come. Thank you.

Together Forward,

Kaylene Christnovich
Associate Dean of External Relations
