

Dear Sarah,

APRIL 2017

Thank you so much for participating in the Young Entrepreneurs Academy 2017 Investor Panel Event. Your donation, feedback and support have provided a tremendous and unique opportunity for the students and their success as entrepreneurs. Now, you have the opportunity to watch how their mere ideas of eleven youth in our community grow into a real, thriving business right before your eyes!

Their entrepreneurship journey would have not been possible without you, thank you so much!

We, at Stand Up for Kids, truly appreciate everything you have done and look forward to seeing you at our next big events! : the Trade Show (5/20/17) and Graduation (5/23/17). Times and locations will be provided at latter dates! Sincerely!

P.S. Please share with David that we truly missed him at the event and that we hope he is able to make it for the Trade Show & Graduation Events!
