*Bascom Group
26 Corporate Park Dr. Suite 200
Irvine, CA 92626*

Dear Bascom Group;

Thank you so much for your generous contribution of \$6,000.00 to our Boys Hope Girls Hope 24th Annual Golfers Classic. As a privately funded program, Boys Hope Girls Hope looks to the community for support. Without your gracious investment into our scholars' futures, Boys Hope Girls Hope would be unable to provide caring and stable homes as well as life-changing opportunities.

Boys Hope Girls Hope aims to provide capable yet disadvantaged children with the necessary resources to succeed. Our scholars have proven their ability and aspirations, and as a direct result of this program, they are well on their way to reaching their goals.

Your generosity allows these deserving scholars to live in safe and happy homes, have opportunities for enrichment, positive parenting, high quality college preparatory education, and college scholarships. It grants our scholars the HOPE they need to fulfill their own hopes. Your investment in our youth will return a thousand-fold to our nation as our scholars become model citizens. You have given not just to our kids, but to all the people and communities who will be touched their productive adult lives.

It has been said many times over; it takes a village to raise a child. We hold strongly to that truth and wholeheartedly appreciate your belief in our program and ultimately, our scholars.

Thank you,

Tim Rogers
Executive Director
