Dear David:

Thank you for your continued generous support with your gift of \$5,000 in support of Orange County foster and community youth. I hope you had a blast at the Demolition Derby! Your gift will support our programs and will assist us in serving the most vulnerable youth in our community.

Thanks to you, young people in our community without supportive families of their own can access the resources they need to reach their greatest potential. They can access college scholarships and the support needed to complete applications, sign up for financial aid, and develop a manageable class schedule. Thanks to you, youth looking for their first job can learn how to complete applications and even prepare for a job interview. Thanks to you, youth without a home to call their own can live in one of our transitional housing communities to gain much needed stability. And thanks to you, those deeply struggling with homelessness and poverty can visit our onsite resource center every day for warm meals, basic hygiene products, clothing and much needed emotional guidance. Regardless of their circumstance or need, because of you, they all have a chance to thrive and succeed. **Thank You!**

Thank you for your continued support of all the young people we serve!

With gratitude,

Christian E. Simonsen
Chief Executive Officer
