

March 30, 2021

Dear Sarah,

As we continue to navigate through uncertainty and change, one thing remains abundantly clear: our community is what sustains us. CHOC's mission is fueled by the generosity of others, and it's because of this generosity that we'll get through this global health crisis together.

Your ability to think about CHOC—our patients, families and staff—during a time when it's easy to focus on oneself speaks volumes of your kindness and compassion. Thank you for your generous support of the Glass Slipper Guild Gala. We have seen the beauty of humanity shine through you and we are eternally grateful. Thank you for supporting the health and wellness of our community.

With heartfelt gratitude,

Douglas J. Corbin, CFRE, CSPG
Senior Vice President & Chief Development Officer

CHOC Foundation
