

David,

Thank you very much for your generous contribution for the Bascom Challenge. As you must know, us students made this project our pride and joy over the course of the semester and receiving such positive recognition really shows that our work has not gone unnoticed. I along with many others are extremely grateful for the opportunity to participate in such a well known event. I will carry this experience and your contribution with me as I continue on my career path.

Thank you!

Paula Chavarria
