

presents a

FREE TRAINING WEBINAR FOR LAW ENFORCEMENT AND FIRST RESPONDERS

Wednesday, October 21, 2020

9AM – 2PM Pacific / 11AM – 4PM Central

LT. COL.

DAVE GROSSMAN

"The Bulletproof Mind"

Psychological Preparation for Combat

Bringing together current trends in violence, from terrorists to aggravated assaults, Col. Grossman coalesces his research into a presentation affirming the life that all law enforcement and military professionals have chosen to lead. Within that context, Grossman presents a model for action that ensures professionals can train for and overcome the unique mental stressors of possible violence. Find out what to expect when your heart rate rises and blood drains from your face, and how to avoid it. A cornerstone for professional training if you might come into contact with inter-personal violence.

Spaces are limited (500 max attendees)
