

Thursday, October 7, 2021

Dear David,

On behalf of the Wisconsin Real Estate Alumni Association, thank you for your participation as a WREAA Annual Partner throughout 2021. Your partnership has played a vital role in all that we do to advance the WREAA network and the top ranked Real Estate and Urban Land Economics Program at the University of Wisconsin-Madison. Your support has directly impacted the success of the new Private Equity (PE) Course and related WREAA Fund I, the level of faculty support and student scholarships we provide, the high caliber events we are able to offer to alumni and friends, and our investment in student enrichment activities. In September, we were pleased to acknowledge and celebrate your partnership during the 2021 Biennial Conference and Reunion held in Madison, Wisconsin, through your event sponsorship. By all measures, the Biennial was a resounding success with more than 400 real estate professionals taking part!

Your partnership challenges us to exercise our highest level of stewardship to see that it makes a real difference in our mission. In the history of the Wisconsin Real Estate Alumni Association, there has never been a time when we have approached our purpose with more commitment and enthusiasm. We are humbled and honored that The Bascom Group has chosen through their sponsorship, to so generously support our efforts throughout 2021.

Thank you once again, and ON WISCONSIN!

Christine Dicks
Executive Director
Wisconsin Real Estate Alumni Association, Inc.

P.S. Watch for a special link that will be sent soon by email to access photos from the 2021 Biennial event!
