Irvine, CA 92606

Dear David,

Thank you, The Kim Foundation, and The Bascom Group for your generous gift of \$8,500 on February 7, 2022, benefitting the Discovery Cube. Each year, the Discovery Cube Orange County impacts hundreds of thousands of students through hands-on science programs and experiences. Your generous contribution helped to support our Teacher Development Programs and those that work tirelessly to educate our youth.

There is no greater joy than watching a child discover something for the first time – their eyes filled with the excitement, joy and anticipation of discovering the people, places and things that keep our world moving. Discovery Cube is OC's largest classroom and your contribution and involvement make learning about the wonders of science possible. Together we continue to grow our mission to **INSPIRE**, **EDUCATE** and **IMPACT** the communities we serve.

Again, thank you for your partnership and your commitment to our teachers and to science education. This is an exciting year as we are once again able to **ReOpen** our doors to all science innovators – young and *young at heart* – to **ReDiscover** science. We invite you to come back and explore the Cube anytime. We are truly grateful for your support.

Sincerely,

Debbie Loughran
IVP, Development
Discovery Cube Orange County

*Thank you
again!
With gratitude,
Alaina*
