CHAPEL HILL APARTMENT
9620 West Russell Road
Las Vegas, Nevada
89148

To the Owner and Management Team:

As residents for the last few years of Chapel Hill, we would like to express our thanks for the ambition you have shown towards the Chapel Hill Apartments, specifically the recent painting of the development. We understand the agreements that are implied, implicitly and explicitly, with the agreement of a lease: on our part to be respectful, respect the property itself and the paying of the agreed upon rent; and in your case, to provide a respectable environment, and to respect the rights and space of the said tenants. But at the same time, we know, especially in today's times, things go unexpressed like a "hello" and "thank you."

So, with that, again, we would just like to say thank you. We appreciate the things you have done and plan to do.

Our Warmest Regards,
