7 Corporate Park, Suite 100
Irvine, CA 92606

Dear David,

Thank you for your generous gift of \$10,000 in support of the talented students of Orange County School of the Arts (OCSA). Your gift will be designated to OCSA's Instrumental Music Conservatory: Frederick Fennell Wind Studies Program. The Bascom Group will be listed as a season sponsor.

The contribution will be used to purchase special equipment and supplies, facilitate field trips to professional arts venues, and present student performance opportunities. Support also helps OCSA students compete in and perform at regional, statewide, and national festivals in the theatre, culinary, and music fields, among others. Your meaningful gift directly impacts our ability to provide OCSA's aspiring artist-scholars with a transformative arts education.

As one of last year's graduates said, "The spirit of OCSA burns fiercely within each of us. It is that spirit of tenacity, individuality, and freedom that makes us who we are. This school has changed all of our futures and given us the most incredible pathway to walk down to truly be successful. It has not just given me a path, but it has given me a lantern. Among us stand the world's next generation of actors, scientists, business leaders, painters, engineers, musicians, directors – the list goes on – and we stand at the nexus of infinite possibilities."

The impact of an arts education cannot be overstated, as evidenced by the outstanding accomplishments of countless OCSA alumni in both academic and artistic fields. At OCSA, we pride ourselves on the incredible opportunities we provide for our students, none of which would be possible without the generosity of our sponsors and supporters, including you.

Thank you again for choosing to give to OCSA! I know there are many places worthy of your support, and we are sincerely appreciative that you have chosen to make our talented students a priority.

Warmest Regards,

Elizabeth Ton
