Dear Mr. and Mrs. Kim,

I want to personally thank you for supporting the **2022 ORANGEWOOD CHALLENGE RACE!** Your gift of \$2,000 received on 2/16/2022 will go a long way towards helping Chris Simonsen push through and complete the Orangewood Challenge on March 26<sup>th</sup>!

Our race participants are just weeks away from an exciting opportunity to push their bodies and minds all for one purpose: *to prepare foster and community youth to reach their greatest potential.* Your very generous gift will help the more than 2,000 foster and community youth seeking resources, direct services, and case management support so that they can develop the life skills, work readiness, and education needed to live independently, connect with their community, and thrive.

Mr. and Mrs. Kim, thank you again for joining Chris to meet the changing needs, challenges, and strengths of the youth who seek our support. If you have any questions about the Orangewood Challenge please contact Christina Lopez, Senior Development Operations Manager, at (714) 619-0248. Thanks for all that you do to support our youth!

With gratitude,

  
Chris Simonsen  
CEO and Adventure Challenge Participant
